“Awesome, awesome, awesome. We've never worked with a developer who is as proactive, responsive and hard-working as Davit. He is and will continue to be our go-to guy for web development! As an online business, you're only as strong as your web development team. I'm confident in saying that our success had been led by Davit's actions.”

Alex - CEO @ Mission Beard

<https://missionbeard.com>

"Davit is a fantastic developer who has been a crucial outsourcing addition to our company. He's insightful, quick to respond, and is able to resolve incredibly technical issues with relative ease."

Peter - CEO @ Chorley Digital

<https://chorleydigital.com>

“Excellent work. Davit has a professional skill and also the ability to overcome the difficulty when faced with the problems. He is absolutely trustworthy and dedicated person! I will definitely like to work with him again! Thank you very much for your help again!”

Hiroki - MATECH JP

<https://matech-jp.com>

“Davit has been excellent to work with. He delivered on time, communicated clearly, was very forthcoming, and over-delivered! I highly recommend you hire him, it's rare to encounter such professionalism.”

Corrado - CEO @ eLearnCommerce

<https://elearncommerce.com>

“Davit is one of that person where I have the feeling I'm really in the right place. He always listen carefully, understand everything and did the work extremely fast. I will work with him again definitely!! If you need someone experienced and you can count on, Davit is your man.:)”
